Keeping You Safe. Please remember to fill up church from the front and take the next "available space". Please do not mix with people outside our household or "bubbles", or wander about in church, for whatever reason before, during or after the service. A condition of our risk assessment and our ability to remain open is that we do not gather for chat either before or after the service in either the church or the churchyard.

Keeping In Touch. Please let Fr David have your email address for the "bundle". It is possible to give details of someone else who would be willing to accept this on your behalf and forward it to you.

Altofts Fund Boiler Update. £3427.00 raised. If you would like to donate to the fund please consider gift aiding, cheques can be made out to "Altofts PCC". Please let the churchwardens know any ideas you may have to raise this money. Perhaps a sponsored "something". Test and Trace. If you have to take a Covid test and the results come back positive, please tell "Track and Trace" if you have visited church, and inform Fr David (confidentially) as soon as possible so that steps can be taken to protect others in our congregation with whom you may have been in contact.
